- Good problem-solving skills
- Category B driving license

CERTIFICATES

- Standard ECDL Certificate
- CCNA IT Essentials
- CCNA Routing and Switching
- CCNA Security
- Information Technology Specialist in Java
- Fundamentals of Deep Learning

ABOUT ME

I earned my Bachelor's degree in Engineering Informatics from the University of Debrecen, where I am currently pursuing a Master's degree in Data Science. I would like to rejoin the Hajós György Data Science College, where I was previously an active member. The projects I participated in at the college significantly contributed to expanding my professional knowledge, particularly in modern technologies and data management techniques. I am excited about the opportunity to once again be part of this community.

STUDIES

DSZC MECHWART ANDRÁS GÉPIPARI ÉS INFORMATIKAI SZAKGIMNÁZUMA
Information Technology major, System Administrator
